SALON ZÜRCHER NEW YORK

ABOUT:

The 20th Edition of **SALON ZÜRCHER** seeks to represent an emerging art world inside and outside of New York City. Between our two galleries, Zürcher Paris / New York has hosted 20 mini art fairs, which have been major successes and garnered very positive media attention. Zürcher Gallery is located in the East Village, within walking distance of the Lower East Side art scene and the New Museum. The salon will function as an accessible yet impressive, small but representative art fair, this year showcasing galleries from Europe and the US. Salon Zürcher offers visitors an intimate alternative to the large-scale, superstore style fairs during the week of Frieze New York.
